Profile

Focused Pre-Final year Computer Science student seeking opportunities to apply my technical skills and knowledge in the industry with an inclination towards AI/ML and product design. Eager to gain hands-on experience in software development and problem-solving and built something big! I am a quick learner, detail-oriented, and excellent with english communication.

Work Experience

📅 01/2024 – 06/2024 📍 DEHRADUN

Core team FOSS United Dehradun

- Developed web applications using HTML, CSS, and JavaScript deployed on Vercel. Proficient in Postman and learned about Frameworks like Express, nodejs, Bun etc.
- Conducted technical meetups and helped formed a community for Open source development in Dehradun.
- Gained insightful experience and knowledge on various technologies like LLMs, Neural Networks etc.
